Undergraduate students in Letters and Science must remove the grade of I (Incomplete) by the end of the fourth week of classes in the next semester (excluding summer) the student is in attendance. All other undergraduate students and most special students must remove the Incomplete by the end of the next semester they are in attendance. Incompletes that are not removed by the deadline dates lapse into a grade of F (Failure). The deadlines for removal of Incompletes may be extended with approval of the student's Dean's Office. Graduate and professional students are not subject to the above Incomplete deadlines. Students who are not in attendance for a five year period after an Incomplete is received may not remove the Incomplete without permission from the student's Dean's Office. These Incompletes remain on the record as Permanent Incompletes and do not lapse into failure.
